BICYCLING TIPS

The following recommendations are based on best local and national standards, but some may not apply to all situations. It is important to adapt your cycling habits and skills to the conditions you will encounter on the road. Practice good habits and be aware of the rights and needs of other road users.

- Check the weather forecast before heading out.
- Wear appropriate clothing and equipment.
- Use lights and reflectors when cycling at night or in low light conditions.
- Be visible to other road users.
- Use hand signals.
- Ride in a straight line.
- Keep a safe distance from other road users.
- Be alert to changing road conditions.
- Stay on bike paths.
- Use a helmet and other safety equipment.
- Be aware of your surroundings.
- Obey traffic rules.
- Be courteous to other road users.
- Follow the rules of the road.

BICYCLE SAFETY

- Wear a helmet and other safety equipment.
- Use hand signals when turning or changing lanes.
- Be visible to other road users.
- Follow the rules of the road.
- Be aware of your surroundings.
- Obey traffic signals.
- Be courteous to other road users.

BICYCLE SECURITY

- Use a lock to secure your bike.
- Register your bike with the police.
- Use a secure location to store your bike.
- Be aware of your surroundings.
- Obey traffic rules.
- Be courteous to other road users.

BICYCLE LEGISLATION

- California Bicycle License – The city of Davis requires a bicycle license for all bicycles used on the UC Davis campus. The license can be obtained at the UC Davis TAPS office. For more information, call 752-2027 or visit http://sportsclubs.ucdavis.edu.

BIKE PATH TIPS

- Use bike paths whenever possible.
- Be visible to other road users.
- Obey traffic rules.
- Be aware of your surroundings.
- Obey traffic signals.
- Be courteous to other road users.

FUNCTIONALITY

- Be courteous to other road users.
- Obey traffic rules.
- Be aware of your surroundings.
- Obey traffic signals.
- Be courteous to other road users.

BIKE THEFT PREVENTION

- If your bike is stolen, call the police and the UC Davis TAPS office immediately.
- Register your bike with the police.
- Use a secure lock to secure your bike.
- Use a secure location to store your bike.
- Be aware of your surroundings.
- Obey traffic rules.
- Be courteous to other road users.

ACKNOWLEDGMENTS

Produced as a joint effort of UC Davis Transportation and Parking Services (TAPS) and the UC Davis Bicycle Program. The map was prepared by the University of California and the City of Davis. Additional contributions were provided by Kelly Hall of UC Davis Traffic Operations, Mike McNorton of UC Davis Traffic Engineering, and Tim Bustos, Bob Clarke and Heidi Mikelic of UC Davis Reprographics. The bird’s-eye view of the bike path network was provided by the Bicycle Union of California. The UC Davis Bike Path map was produced with permission of the City of Davis.
